### LEST WE FORGET!

Over 2,000 Democratic Precinct  
Election Boards, 110 Democratic  
County Election Boards, and a solidly  
Democratic State Election Board—  
every one the creation of Mr. Goebel  
or his agents—certified to the  
voters on Tuesday, November 7th,  
1890.

William S. Taylor.....1913-14  
William Goebel.....1913-14

Taylor's Plurality.....2,383

The Goebel Law is the most fitting  
monument that GOEBEL could have.

And still TOM CAMPBELL hasn't  
"surprised" THE LEADER by doing an  
honest act. Why the delay?

The Courthouse is open to every one  
who suffers injury from "slandorous"  
newspaper articles, and there's always  
lawyers out of a job.

They were determined to have "Harmony"  
in the late Democratic  
Convention at Caledonia, even if guns  
had to be pulled to secure it.

A good Democrat has asked THE  
LEADER to revise its figures as to SAM  
PUGH's majority, and to make it from  
1,000 to 2,000, instead of from 500 to  
1,000.

Mex have been known to drink  
whisky occasionally but were neither  
election thieves, nor any other sort of  
thieves, and who were never fugitives  
from justice.

All things come to those who wait  
—long enough. Many years ago the  
"Kidd" defeated the nominee of the  
old-line Democrats for Congress, now  
the "Kidd" has the nominee. It re-  
mains to be seen what the old-liners  
will do in November.

BRO. WYATT announces at the head  
of his Exing Inquirer that M. M. TEAGUE  
is "Editor Editorial Department."  
That's good; for the uninformed might  
have thought BRO. TEAGUE was Editor  
of the Advertising or County Corre-  
spondent Departments.

THE HON. JOHN W. YERKES will be  
the Republican candidate for Governor  
this fall; but who the warring Demo-  
crats will nominate the devil only  
knows. The Goebelites pretend to  
want BECKHAM; the other fellows want  
LEWIS; the Beckhamites say LEWIS is  
too old, and the Lewises say BECK-  
HAM is too young, and there's good  
logic on both sides.

DEMOCRATS are very fond of pro-  
claiming through the newspapers  
their love for "law and order;" and  
yet Governor STEVENSON, the Demo-  
cratic Executive of Missouri, who is  
doing everything in his power to set  
the streetcar strike in St. Louis, makes  
this astonishing statement:

"I am satisfied that the trouble  
along the streetcar lines and the whole  
spirit of anarchy which I find prevails  
so largely in the city of St. Louis at  
present is being formed and extended  
by the machinations of a certain  
coterie of Democratic politicians, who  
hope by their course to in some man-  
ner party primaries."

Mr. and Mrs. O. H. P. Thomas at-  
tended the funeral of Mrs. Phoebe  
Gale at Manchester.

Miss Martha Stevenson of this city  
was a guest at the Fischer-Elliott  
wedding at Manchester.

Creditors of White, Judd & Co. or C.  
H. White are requested to settle at  
once. See notice elsewhere.

A meeting is in progress at the Baptist  
Church at Mt. Oliver, conducted by  
the Pastor, Rev. J. B. Holly.

Mr. Henry E. Gabby will preach at the  
First Baptist Church tomorrow  
morning at 10:30 o'clock. No services  
at night.

In the suit of Dye vs. Deming, taken  
to the Court of Appeals from Robertson  
county, on motion of appellant damages  
were awarded.

During the first four months of this  
year railway earnings for the whole  
country were 15.8% larger than in the  
corresponding months of 1890.

Messrs. Leslie H. Gault of Washing-  
ton and John B. Homan of this city are  
members of the graduating class at  
Center College, Danville, this year.

To save mending, avoid breaking, and  
to avoid suffering, use of the  
"Kidd's" is the only way of obtaining  
swift remedy for all rheumatic affec-  
tions. Price, 25c and 50c. J. S. Wood &  
Son.

## KENTUCKY FLASHES.

SAW HER PICTURE.

Remorse of the Civil War Recalled  
By a Daguerotype Exhib-  
ited at Louisville.

Harrodsburg, Ky., June 9.—While  
Mrs. Lucy Latta, of this county, was  
attending the confederate reunion in  
Louisville last week, she discovered a  
daguerotype of herself in a store  
showing, and thereby recalled a ro-  
mance of the civil war. The picture  
was given by Mrs. Latta, then Miss  
Renoir, to Private Jones, of the 1st  
Kentucky infantry, C. S. A. When  
lying Jones gave the portrait to  
Lieut. Chas. H. Thomas, of his com-  
pany, and it was found on Thomas' soul  
after the battle of Hartselle, it is  
said that Thomas also loved the girl.

The picture fell into the hands of  
Chas. T. Smith, superintendent of  
transportation of the L. & N., who  
showed it in the window during the  
reunion, with the hope of identifying  
it. Mrs. Latta lives three miles from  
Harrodsburg.

BOTH ENGINES BACKING.

Two Men Hurt By a Railroad Wreck  
in Louisville—One Engine  
Runs Wild.

Louisville, Ky., June 9.—L. & N. en-  
gine No. 120, while on its way to the  
roundhouse, backed into C. & O. en-  
gine No. 243, which was also backing  
in the opposite direction. Both water  
tanks were knocked back over the  
sides. Frank Jackson, engineer of the  
L. & N. train, was badly injured. Fire-  
man Owen Kerlin suffered a broken  
arm and internal injuries from jump-  
ing. No others were hurt.

Jackson reversed his engine, but  
limping, which ran at full speed  
through the city to Floyd street,  
when steam gave out. Fortunately  
the steam pipes had been broken so that  
the whistle blew a continuous blast.

FOUGHT OVER A WOMEN.

Brothers Fought Brothers, and One  
Was Fatally Shot and Further  
Trouble Is Expected.

Poplar Plains, Ky., June 9.—Jim  
and Emmett Hefflin, brothers, living  
two miles east of here, quarreled with  
Bill and Francis Hamilton, brothers,  
of the same neighborhood, over al-  
leged attentions of the Hefflin boys to  
Bill Hamilton's wife and daughter.  
Words passed between them, when, it  
is charged, Emmett Hefflin drew a  
revolver and opened fire on the  
Hamiltons, the fourth shot striking  
Francis Hamilton just under the  
heart. The victim may not recover.  
The Hefflins have not been arrested.  
They have gathered their friends and  
are heavily armed.

COURT-MARTIAL ORDERED.

The Conduct of Capt. Longmire, of  
Beckham's Guards, to Be  
Investigated.

Frankfort, Ky., June 9.—Assistant  
Adj. Gen. Murray has ordered an in-  
vestigation of the alleged unbecom-  
ing conduct of Capt. Longmire and  
Sergeant McClure, Gov. Beckham's mus-  
tering officers, who were charged with  
Mayville by the police and took  
refuge at Aberdeen, O.

Maj. J. Embury Allen, of Lexington,  
has been directed to conduct an in-  
vestigation to ascertain if a court-  
martial is necessary. Longmire and  
McClure have written Col. Murray de-  
claring the charges.

Insurgent Ball.

Frankfort, Ky., June 9.—The in-  
surgent ball, which was postponed on  
account of the death of Gov. Goebel  
and subsequent political compli-  
cations, took place last night and was  
attended by several hundred society  
people from this and other states.  
Gov. Beckham led the march, while  
Mrs. Beckham, mother of the gov-  
ernor, and other prominent ladies as-  
sisted in receiving.

Murdered Man's Body Found.

Chapman, Ky., June 9.—Parties  
squirrel hunting in Allen county  
found a mound of fresh dirt in the  
woods. They opened the mound and  
found the body of a man buried there,  
his head shot full of holes and  
crushed in. There is no clew.  
Earlman worked in a lively stable at  
Scottsville.

Powder Acquired.

Richmond, Ky., June 9.—Jerry  
Fowler was tried in the county court  
on a charge of shooting James Butler  
from ambush and acquitted. He  
was arrested as his accomplice  
waived an examining trial and was  
held over to the next grand jury.

Knights of Pythias Conclave.

Lancaster, Ky., June 9.—Three hun-  
dred visiting delegates are attending  
the district convocation of the Knights  
of Pythias here. State Grand Chan-  
cellor John T. Horner, of Covington,  
is present, and addressed an open ses-  
sion at the opera house.

McCormick Superintendent.

Frankfort, Ky., June 9.—Gov. Beck-  
ham appointed Dr. E. B. McCormick,  
of Owensboro, superintendent of the  
Western asylum at Hopkinsville. Dr.  
Lackey, of Pembroke, is slated for  
appointment as assistant superintendent.

Tammany at Kansas City.

New York, June 9.—The Tammany  
leaders have decided not to send more  
than 250 or 300 men to the national  
convention at Kansas City—about  
eight from each district. It is their  
first intended to send a delegation of  
500. The cut was made on account  
of the heavy expense.

Dr. J. M. Matthews of Louisville was  
elected one of the Trustees of the  
American Medical Association at the  
meeting this week at Atlantic City.

For two years Ira V. Kelley of Man-  
assas, Pa., was in poor health on account  
of kidney trouble. He consulted several  
physicians and spent considerable money on  
medicines without obtaining relief until  
he tried Foley's Kidney Cure, and now  
writes "I desire to add my testimony that  
it may be the cause of ailing others."  
J. S. Wood & Son and Armstrong & Co.

Compare it with other local papers,  
and then say, if you can, that this  
Lancaster isn't the best, and that it doesn't  
give the most for the money. Can you  
afford to have it left at your resi-  
dence for a month? Mr. Hal Curran  
will be glad to book your order.

YES OR NO?

Mayville People Are Respectful with  
Answers These Questions.

Is there anything in the evidence of  
one's senses?

Is there anything in the testimony of  
one's friends?

Can reliance be placed upon state-  
ments from people we know?

Are the opinions of local citizens of  
any greater moment than those of  
strangers?

Would you sooner believe people liv-  
ing in some far-away place than citi-  
zens of your own city?

We think not, for home proof can be  
easily investigated.

Mrs. R. Wallingford of 220 January

and Ogden at one fare plus 8¢ good  
until October 31st for Denver. For par-  
ticulars address A. A. Ogden, District
